

## **SCHOOL ANTHEM**

This song once sung, makes us fit 'Coz we learn from STARLIT. We are ready to face the life's test 'Coz we learn from the very best.... Doors open, grass rustles, Birds chirp and trees bustle, And we know that we are standing in STARLIT amongst all this hustle. Glory and victory your name is STARLIT, That is one thing we have in our heart knit. Grandeur thy name is STARLIT We are proud to be children of it. Whether we stay or whether we exit We'll always be a part of STARLIT.
